

# Thank you!

From the SBM Charitable Foundation

*As we celebrate our sixteenth year of grant-making, we are also celebrating the amazing organizations that provide outstanding programs and services for so many people in Hartford, Tolland, and Windham Counties. Although our East of the River funding focus is divided among Health, Human Services, Housing, Education, and the Arts, our emphasis is on programs that benefit area youth.*

*We thank all of our grant recipients for their indispensable services. The following is a small sample of organizations whose programs and services we have supported:*
